Barger Corporation opens office in Chongqing, China

August 28, 2008

BARGER

PALM BEACH, FL (RUSHPRNEWS) August 28, 2008 - Dr. Gerald (Gerry) Waterson, Chairman, and Jonathon Benson, CEO, of the Barger Corporation with headquarters in Palm Beach, Florida have announced the establishment of a field office in Chongqing in the Peoples Republic of China. This will be the second location in this country along with a facility in Hong Kong. These operations are in addition to locations in Maryland, Florida, California, Rome, London and Iraq.

Mr. Benson stated that ” The changing business climate in this country has made this venture possible. Our operation in Hong Kong has been highly successful and it is expected that we will enjoy a similar result in Chongqing which is located the heart of China. ”

Dr. Waterson added " The leaders of this country have seen the economic benefits of engaging in a form of capitalism which was unheard of not that long ago. China is emerging as a superpower in the world and we are fortunate to be part of its development."

Contract negotiations are underway for installation of satellite dishes, cellular towers, and video production studios. Training facilities will also be established.

Barger Corporation is a world wide leader in data, voice, and video wired and wireless communications with services that include installation, operations, and training in these fields.
