Young Naturists America YNA

New York, NY (RPRN) 07/13/11 — Ever wonder what it would be like to live at a nudist resort? It's time to return to nature through the magic of filmmaking. Put your voyeuristic curiosities to rest, celebrate your textile freedom and follow the protagonists of the indie smash hit "Act Naturally" through a quirky, touching, titillating, whirlwind of a ride!

Join the fun Saturday July 16th at 5pm. The screening will be hosted by Young Naturists America; an organization that promotes the non-sexual naturist values. The event will take place at Rock Lodge Club, 119 Rock Lodge Road, Stockholm, NJ 07460. www.rocklodge.com . Immediately following will be a panel discussion with director JP Riley and select cast members.

Act Naturally, www.actnaturallymovie.com written and directed by JP Riley (Barenaked Ladies, The Verve Pipe) & produced by Christine Sheaks (Boogie Nights, Scary Movie, Hard Eight), Katie Hall & Sadie Alexandru, is a funny and compelling journey about two estranged sisters whose unexpected inheritance of a clandestine nudist resort forces them to explore profound issues concerning their newfound community, late father, each other, and ultimately themselves. The film takes the audience into the naturist lifestyle while sharing personal stories of body image and freeing oneself from the confines of social "norms."

About the author:
Young Nudists & Naturists America is based in the New York, New Jersey area but we welcome anyone from anywhere. Due to all the interest and lack of an online presence we decided to launch this site. We are here to educate people about nudism and the nudist lifestyle as well as recommend trust sites and warn people of any bad or misleading sites and organizations. We are fellow nudists ourselves and our word is our bond.
