Get Smart Tax Help From Your Mobile Device

January 31, 2013

SAN FRANCISCO (RPRN) 01/31/13 — The Law Offices of Alex Gluzman proudly announce the launch of a new mobile website that allows taxpayers to get experienced tax help while on the go. This website effectively allows users to access tax help from a myriad of mobile devices, including their smart phone and tablet.

The Law Offices of Alex Gluzman strongly believes that the new mobile infrastructure will allow taxpayers to access tax attorney help when they need it most. Mytaxproblem.mobi enables the taxpayer to access tax help at times when rapid response is crucial.

Tax professionals can help lower the amount of the tax debt, reduce IRS penalties and stop enforcement action. Mytaxproblem.mobi offers information about: offers in compromise, back taxes, tax liens, wage garnishment, penalties, tax bankruptcy, and audits.

It is important to understand that each tax situation is different, and must be carefully analyzed by the tax experts to determine the best strategy for maximum tax relief.

For more information about accessing tax help from a mobile device, visit MyTaxProblem.mobi
