San Francisco, CA (RPRN) 06/04/13 —

--- By Jennifer Woodfield ----

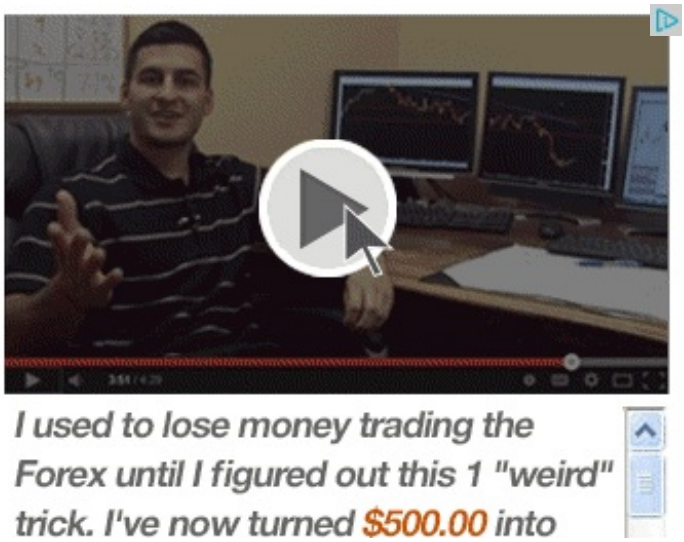
RushPRNews is pleased to offer you SEO-friendly **authoring services**, delivering press release and blog services that journalists will want to read!

How do we do it?

We evaluate your needs based on the **5Ws questionnaire** (who, what, when, where, why?), addressing your audience and their needs, and delivering a top-notch search engine-optimized article that is guaranteed to grab the attention of your audience.

Need a product review to increase sales? Drive traffic to your site?

RushPRNews will write a product review about your latest gadget, software, culinary delight or consumer goods. Not only will we write a credible and informative review, we will also publish the article through our online news distribution and along our media network—Google News, Yahoo! News, Bing News, and numerous other newsfeeds and Facebook, Twitter, Reddit and others social media and bookmarking sites.



growing monthly income using this

It doesn't stop with the writing!

Once your press release is ready to go and approved by you, we will evaluate your **press release submission** needs and make suggestions based on your goals and your targeted audience. Could be obtaining press coverage from reporters? Or it could be to increase traffic through Social sharing?

Get started!

Create an account at RushPRNews.com, drop us an email at news@rushprnews.com. We'll send you the 5W questionnaire. You answer the questions it in and one of our Virtual Journalists will contact you by email.
