November 14, 2011

Hollywood, CA (RPRN) 11/14/11 — Here is a new booklet that answers your question – 'Who created evil?'

We know what evil is. We see mankind visit evil upon fellow mankind daily. This question of 'who created evil' begs for answer from generation to generation.

"Who created evil' is a question you do not have to wait to get to heaven before you know the answer. The answer is here on earth. While a lot of us have said God created evil, others have said the devil created evil, many others have said mankind created evil.

Friends, it is none of the above. Know today that God did not create evil. The devil did not create evil. Mankind did not create evil.

This booklet was made for people who want to know who created evil. It was written for your spiritual enlightenment, to give you a deep sense of inner peace and contentment, and to end your quest to know the answer to this mind-boggling question.

'Holistic health' they say is when one is physically, mentally, and spiritually sound. The answer to 'who created evil' will help you to connect with all of life.

For anyone to have a well being, the person has to be whole in the those three areas of our being. If any of these three areas of our being is undersupplied, one cannot attain wholeness.
