RushPRNews has an app for that!

January 28, 2014

SAN FRANCISCO, CA (RPRN) 01/28/14 — RushPRNews has been working on making it *easier* to get your news out to your audience, and we've come up with a solution! Our new mobile app, which you can download to your cell phone at rushprnews.appsme.com, puts you in touch with our current pricing, contact information, and social media links. Want to call or email us with questions about our services? It's just a click away. Want to share the app via email, Facebook, or Twitter? One click will do it. You'll have a remarkable amount of our website and of your content, as well, at your fingertips, without having to manually switch to your browser and click through links.

To top it off, we'll have special promotions available only through the app. Our app is made to work with all phones, too, so take a few seconds to try it out and see how more quickly you can get your press release moving!
