Emerge Fundraising Project

NEW YORK (RPRN) 11/17/11 — Young Nudists Are Busy - Sparking Occupy Wall Street, Baring It All For Charity, Supporting The Arts

Emerge party Friday, November 18.

Move aside Occupy Wall Street – Here come Young Naturists America! This young group of nudists have high moral values, quietly taking matters into their own hands and actually working towards a better tomorrow!

Young Naturists America (YNA) have been making waves in New York and beyond. For those who have not heard here is what has gone on in the world of YNA during this week alone:

All charges were totally dismissed against Felicity for walking her invisible dog in the nude (author of YNA's Felicity's blog). Her performance (and subsequent arrest) in Occularpation arguably helped spark the Occupy Wall Street movement.

Launched the "Emerge" initiative – A new subdivision that is geared toward raising funds for charitable causes.

Announced their next event - An after-work naked cocktail party to help raise funds for their "Emerge" project.

Took part in Day One of Zefrey Throwell's latest project entitled "I'll raise you one" – A week long strip poker marathon with a very serious message.

Young Nudists and Young Naturists America –

YNA Young Naturists & Nudists America (YNA) is a nudists / naturists organization based out of the NY/ NJ / PA area.

We welcome everyone regardless of race, color, sexual

orientation, tattoos, piercings. The nudist movement used to be about acceptance – so we say – back to the basics!

The goal of this group is to promote and educate others about naturism and nudism, explore cool clothing optional places to go to and last but not least organizeevents for fellow nudists and naturists all over the world!

We coordinate fun nudist and naturist events, nude naked and clothing optional parties such as our signature Nude Night Out and Nude Year's Eve parties in Manhattan; there is always a naked,nude friendly event taking place either hosted or co-hosted by YNA.

About the author:
Young Nudists & Naturists America is based in the New York, New Jersey area but we welcome anyone from anywhere. Due to all the interest and lack of an online presence we decided to launch this site. We are here to educate people about nudism and the nudist lifestyle as well as recommend trust sites and warn people of any bad or misleading sites and organizations. We are fellow nudists ourselves and our word is our bond.
