— Serial entrepreneur and founder of ohhaiyo.com Sam Atkinson has released a limited run of heavily discounted coupons to his new course, making the full course plus lifetime access to updates and support available for only \$29.

Build the complete business/startup website

The course focuses on giving the student all the skills needed to

quickly be able to put together professional websites to promote and sell services and products. This course will cover:

- A completely customised sales landing page with images, texts, feature bubbles and image carousel to entice buyers
- eCommerce through Paypal to accept payment for your product or service straight away
- Google Analytics to know exactly who is visiting and converting
- Mailchimp for mailing lists to build your brand following and increase future purchases
- Google apps for business or Zoho mail for professional email and app solution
- Wordpress blog to provide fresh material to your customers and increase backlinks/SEO

And best of all there is no coding required to get your site up (although

if you're feeling adventurous there is some high level tutorials to allow you to personalise your site).

The course is highly accessible and is suitable for entrepreneurs of all levels. Best of all, you don't need to do any coding (unless you're feeling adventurous).

Over 2000 successful students have taken this course in less than 2 weeks! Sign up today to one of Udemy's fastest growing courses with no risk: the course has a full 30 day money back guarantee.
