--[Vacuum storage bags](#) for food becomes portable with the new valve and pump designed by the innovative BagButton Company.

Heavy Duty Vacuum food bag By Button airlock can be used as many times as you like.

BagButton LLC has introduced to there product line a new portable design in food vacuum storage

bags. With the New BagButton airLock brand, vacuum storage bag system you can keep dry foods fresh, fresh foods from spoiling and protect frozen foods against freezer burn, which means less wasted food and money.

The Starter Kit includes specially designed vacuum bags with a completely new valve and pump design. BagButton airLock's double Zipper ensures and maintains a tight vacuum seal. Specially designed and developed multi-layered bags and one-way valve system allow for the removal of air. Pump is dishwasher safe plus the bags can be washed and reused as many times as you like. Starter Kit contains one Hand Vacuum Pump, two large vacuum storage bags plus one "first of its kind" large vacuum pouch bag. The BagButton airLock bags make buying in bulk a cost-effective way to feed your family.

Vacuum sealing foods will keep out unwanted moisture and bacteria but there are many uses for BagButton airLock food bags besides preserving food. The large [vacuum sealed food bags](#) can store smaller clothing and emergency items and acts as the perfect dry box for on board a boat or RV. Certain camping gear like matches can be kept dry plus important documents, files, money, medicines and special family items can be kept safe

when stored in a vacuum sealed environment.

“We have come a long way since 2004, when we introduced the BagButton to the vacuum space saving market. We let the consumer in on the fact that they could use common household plastic bags with the BagButton to get as many space saving bags as they needed for just a few pennies a bag,” said Larry Storey, President of BagButton LLC, “and now we are truly excited to bring our vacuum storage food bags to the market. They are an elite heavy duty bag constructed to the highest standards for quality and built for the user. With multiple layers and types of plastics and nylon, triple seams, double zip lock closure and its all new patented one way valve and pump design, we guarantee these to be the best vacuum food bags on the market and we put up a 100% no fault guarantee behind each and everyone of our bags to prove it.”
