

# BagButton Hits Global Space Saving Market

February 8, 2013

South Bend, WA. ([RPRN](#))  
02/08/13 — Consumers worldwide are saving more than space with the revolutionary BagButton space saver, they're also saving money. In 2012-2013, the Washington-based creator of BagButton was featured in some of Australia's and Europe's top magazines. On the Road, Which

Space Bags; 10 cents or less

Caravan and Camping Magazine recognized the genius behind the simple space saving product that transforms ordinary plastic bags into a flat sealed space bags for easy transport and storage.

Australia's and Europe's as seen on TV shows Better Homes and Garden and IKEA Extra, demonstrated the simplicity of the BagButton and how it can turn an ordinary garbage bag into a vacuum storage space bag simply by attaching a vacuum hose and remove the air from the bag. Extra went to storage specialists at IKEA and were treated to first-hand demonstrations of how the BagButton space saver can work with almost any plastic bag.

BagButton is reusable and you will only need one. Campers, homeowners, travelers and anyone who wants to ensure safekeeping for their storage items is thrilled with the BagButton. Family-owned BagButton founders say

they are looking forward to continued growth in 2013 with the addition of a new hand pump.

"This is going to be a very exciting year for BagButton," says BagButton president Larry Storey. "We're hopeful that by adding a new product this year we will enhance the sales of the BagButton."

BagButton is the global leader in economical vacuum storage solutions. Manufactured in the United States, BagButton's economical technology enables users to convert almost any plastic bag into a vacuum storage bag for 10 cents or less.

BagButton entered the marketplace in February 2004 and has seen steady growth through 2012. BagButton founders formed the company with the objective of becoming a major economical participant in the space saving industry, targeting the massive market that exists for space saving technology. With the beginning of its worldwide acceptance, the "made in America" product, BagButton is establishing solid relationships with distributors World Wide. BagButton is available online at [www.bag-button.com](http://www.bag-button.com) and video demonstrations of the BagButton are available for viewing. Representatives welcome requests for distribution.
