Palm Beach, FL ([RPRN](#)) 10/23/09
— Dr. Gerald (Gerry) Waterson,
Chairman, and Jonathon Benson,
CEO, of the Barger Corporation
with headquarters in Palm Beach,
Florida have announced the
expansion of their facility in
Chongqing in the Peoples

Republic of China. This is the second location in this country along with one in Hong Kong. These operations are in addition to offices in Maryland, Florida, California, Rome, London and Iraq.

The expansion will provide for new storage facilities and a state of the art training facility and will establish a campus environment with several buildings in a natural setting that includes exercise areas, a restaurant, and a day care facility.

Dr. Waterson stated that "this new setting will provide a more enjoyable workplace environment while at the same time quadrupling our storage facilities, and establishing a truck fleet garage.

Mr. Benson added that " the new training facility will include up-links to various other locations in China so that multiple classes can be conducted with just one instructor." He quipped that "Dr. Waterson can join in the sessions at any of his places in Chestertown,(MD), Bozeman,(MT), Palm Beach, (FL) or Vinalhaven, (ME)"

Barger Corporation is a world wide leader in data, voice, and video wired and wireless communications with services that include installation, operations, and training in these fields.
