CHERYL ANNE MEYER AND TARA LANDON Red Flag RuleBook - 50 DATING RULES TO KNOW WHETHER TO KEEP HIM OR KISS HIM GOODBYE

Los Angeles, CA (BPRN) 04/25/10 — Do single women forget what they are looking for in a man because they are so busy listening to people telling them how to act, dress and order or a first date? Yes! They are rarely advised as to which qualities in men they should avoid because they are so worried about how to sell themselves. Until now. Tongue-in-cheek, humour, real-life experiences that women can relate too. Because of its humor, telling readers what to avoid in a man.

In the refreshing new release from BurmanBooks, <u>The Red Flag Rulebook</u> by best sellingauthors Cheryl Anne Meyer and Tara Landon clearly lists and explains through humor and brutal honestly all of the "red flags" that women should look out for when choosing a companion. The book empowers women to reject men that have too many red flags and it encourages them to put the ball back in their own courts.

Unlike other dating how-to books, <u>The Red Flag Rulebook</u> serves as the ultimate guide for women looking to weed out those not-so-worthy men. Rather than pushing women to act like someone they are not or try to change men into something they want them to be, the book takes an in-depth look at 50 "unsavory male personality traits" that should make women head for the hills.

If a man possesses five or more red flags such as, "#9 - It's my way or the highway" or "#23 - The Over OVER Achiever" readers are instructed to "LOSE HIS NUMBER." Each red flag is followed by a first-hand testimonial by the authors who highlight

their own dating experiences and those of their friends. The book also includes ten "Deal Breakers" that should end a relationship immediately and ten "Green Flags" that are signs that he really likes you.

The authors are thrilled to share their stories in hopes of saving single women from potential heartache and to help them find their dream relationships. They are also best friends and roommates.
