06/03/14 — Business Edge Magazine Features Shelter Modular Inc. President Harold Clifford To Learn More About The Company's New Vision and Growth

Harold Clifford talks to Business Edge Magazine about the devotion to the Company and how

Shelter Modular President- Harold Clifford he has achieved success.

In the current issue of Business Edge magazine, reporter Tom Keyser profiles Harold Clifford, the President and General Manager of Shelter Modular Inc., which is a manufacturer and supplier of both wood framed and steel, custom modular solutions. Readers of the magazine learn more about Harold Clifford, the Company, the new investment group as well as how they have become one of the most respected Modular Manufacturers in Western Canada.

Shelter Modular Inc., which is a designer, manufacturer and supplier of both

wood framed and steel, custom modular solutions, has gone from strength to strength while other companies have struggled in a troubled economic climate. The manufacturer has shown that no matter what economic problems the world is facing, if you are focused and have a good quality product then a company can succeed and prosper.

With the introduction of the all steel dorm units for the Oil and Gas industry, Shelter Modular showed the world this was a company that

can keep up with the times and provide the commercial sector with quality affordable products. The feedback they received from the Oil and Gas industry backed up what everyone already knew, Shelter Modular are leaders in modular solutions.
