06/11/12 — Online price

comparison specialist polls

users to develop new, improved website functionality

Leading online car hire price comparator has announced the launch of a new, improved

website. The company's new site will offer users improved functionality and a better user experience.

The award-winning car hire comparison site surveyed its users before building the new website. The next-generation site will offer a faster search capability, better results navigation of results improved filtering.

Gareth Robinson, Managing Director of [Carrentals.co.uk](#), comments: "Our customers seem to love the fact that we offer them such a simple to use and efficient website - and they leapt at the chance to help us go on improving it with this re-design."

"Our latest progressive step will see us continue to strengthen our place at the top of the car hire sector. We are confident that an enhanced customer experience will impact positively on bookings made through our site."

Since its launch in 2003 Carrentals.co.uk has grown to become one of the UK's leading car hire comparison websites booking over 650,000 rentals to date and celebrated its 5th birthday as a comparator in February 2012.

Carrentals.co.uk compares car hire to find the best available vehicle and price from up to 50 rental companies including Alamo, Auto Europe, Budget, Holiday Autos and Sixt, in over 15,000 locations worldwide.
