February 7, 2012

Gloucester, UK ([RPRN](#))
02/07/12 — Internet-based car hire specialist reports UK tourists looking to escape winter and snow this February

Comparecarhire.co.uk, the website which helps people save money on car hire in over 15,000 places around the world, has announced a jump in half term bookings in warmer weather locations.

Brits are choosing to head for places like Portugal, Spain, Greece and Miami for half term, where this time last year the site saw more bookings for places like the UK and Switzerland.

Andy Hemmington, spokesperson for Comparecarhire.co.uk, says: "The snow and ice on UK roads and in people's gardens is obviously seeing them make for some sunshine this half term! We can help people to find good value car hire by comparing deals from all the top name suppliers in the sector."

"We also advise people to think about other ways to save money on a trip - for example collecting your rental vehicle in a downtown location can get you

a cheaper deal.”

Travellers can visit Comparecarhire.co.uk right now and find half term car hire deals from as little as £3 per day. Available online this week are deals such as a week’s car hire from Malaga Airport from £3* per day, from £4* per day at Faro, from £9* per day in Crete, and from £14* per day at Miami Airport.
