Vivian Van Dijk, Editor-in-Chief and President of EYES IN

Magazine™ (Periodic Publication), introduces another captivating issue of her critically acclaimed EYES IN Magazine™. Issue 19 features creators including architect professor Ben van Berkel, vocalist Krishna Das, astronaut Jerry L. Ross, ex-Navy Seal, founder and CEO of TRX Suspension Training Program - Randy Hetrick and artist and technology fashion designer, Amy Winters.

Snippets of these interviews include:

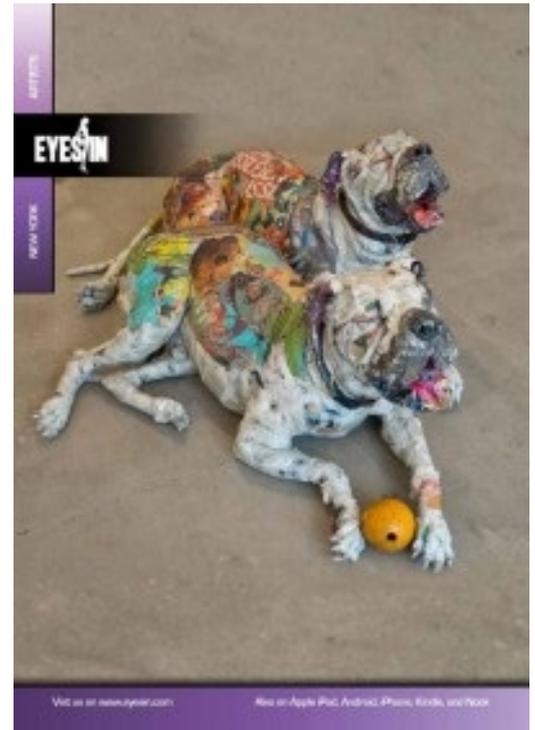

Architecture/Design: Innovative Creator, Architect & Designer Professor Ben van Berkel

"My mother took me to Venice one time and showed me all the houses where

famous composers used to live. It gave me a fascination for music and the city, but also for architecture. It was a valuable lesson. "

Film/Music: A Bridge between Souls: "One Track Heart: The Story of Krishna Das"

"Meditation, yoga and the wisdom teachings have given me tools to begin retraining my mind away from reactivity and smallminded views, towards a more stable connection to a deeper, subtler appreciation of life."

Science/Technology: Jerry L. Ross - America's Spacewalker Sculptures by Will Kurtz

"I do think we will have a group of people living on the moon, conducting experiments and mining for materials for us to use on Earth."

Health/Beauty: Randy Hetrick- The TRX Challenge: Taking Fitness to the Next Level

"I've always been a bit of an agitator for productive change, so finding solutions to problems that present themselves has always been a part of my nature."

Fashion/Technology: Harnessing Technology for Fashion: Amy Winters

"I think if some of the different minds and disciplines start talking and working together, better products, processes and ideas could be executed."
