Vivian Van Dijk, Editor-in-Chief of EYES IN Magazine

Issue 22 expresses a beautiful summer showcase of energetic stories and vibrant colors, and

engages readers to a globally diverse selection of creators including: Dutch fashion designer for the royals Jan Taminiau; “Wakolda” film actor Alex Brendemühl; world renowned chef Ferran Adria; innovative real estate builder for the stars, John Finton.

Snippets of these interviews include:

Fashion: Jan Taminiau Combines Romance with Structure for the Future of Fashion

“Love is passion and passion is love. I do everything with passion and passion is love.” –Jan Taminiau

Film: EYES in Cannes Film Festival: Wakolda Actor Alex Brendemühl

“I love working with the stars and with constellations to connect with the soul

of the character. This

means that during the process, I forget myself. It is sometimes very stirring, not always easy and I sometimes wake up with nightmares. However, at the same time, it is fascinating, especially when you see the result of the work. It's always worth it." –Actor Alex Brendemühl

Culinary Arts: Ferran Adria: The Man Who Started the Gastronomic Revolution

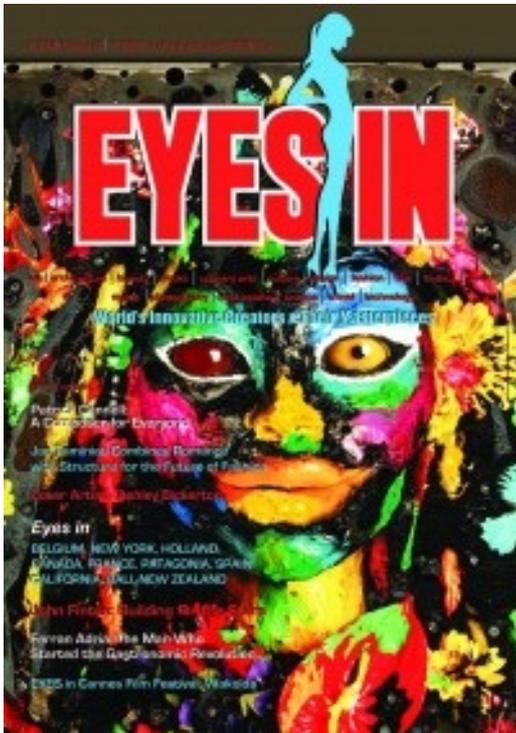

“... cooking is short-lived. It's ephemeral. A plate is made and consumed, disappearing physically. On the other hand, a song, a painting or a sculpture remain in time. They are similar in that they all exist to excite and, in my case, reflect.” –Ferran Adria

Real Estate: John Finton: Building for the Stars

“John Finton is a builder with a global vision who is not afraid to tackle huge projects and who has an open mind in finding new building materials and ideas from different countries around the world. His success comes from his ability to listen to his client's wishes in detail and in knowing how to incorporate their dream house into a real, stunning mansion.” –Vivian Van Dijk
