

God Did Not Create Evil

04/17/12 — At one time or the other you may have blamed God for creating [evil](#). You may have been angry because evil has brought untold pains and sufferings to mankind on earth. You are wondering, why will anyone create such an act? Since

God created everything, we all assume He created evil. Knowing the answer to the question of “who created evil?” will refresh and liberate you from hatred and misconception you may have about God.

If you did not blame God, you may have blamed the devil that he was the one who invented evil. If not the devil, you may have said it was mankind who created evil. Others would say evil started with Adam and Eve; after all, in the beginning of the earth, Cain killed his brother, Abel

No!! None of the above. It should be known that God did not create [evil](#). The devil did not create evil, and mankind did not create evil.

Then who created evil?

This is the question that is being asked from generation to generation. For those who believe in God, certain things we do not have answers to, we usually say we will get the answer from God when we get to heaven. But for this question, you do not have to wait to get to heaven before you get the answer. The answer is here on earth.

Indeed, this question of 'who created evil' is mind-boggling, especially when one sees the untold man's inhumanity against man on planet earth. People throw their hands in the air and say 'it is what it is'. Folks, it is not what it is. No, it is not! It is good to know today that God did not create evil. The devil did not create evil. We, humans did not create evil. *Who did?* For answer, visit us at www.goddidnotcreateevil.com.
