HotelTrip. Book.Stay.Enjoy.

Hoteltrip.com is proud to

announce its latest creation of an online travel agency during the first week of June. HotelTrip.com is a new Online Travel Agency devoted to making traveling simple. Offering in-depth hotel contents, Hoteltrip.com provides a one-stop position to make easy booking decisions without hesitation. Withholding multiple travel agent partners locally and internationally, HotelTrip.com's substantial inventory derives from a range of direct contracts and access through XML ready integration platforms. Delivering the best rates on the web though extensive knowledge and travel expertise, this online travel agency is firmly committed to assuring customer value at all times. Providing the most convenient and comfortable experience, HotelTrip.com is eager to commence upon its inauguration here in Bangkok, Thailand.

Founded in South East Asia, HotelTrip.com captures a vast hospitality

market and is able to create better relationships with its hotel partners. With the Asian economy flourishing through tourism and commerce, this opportunity was taken in hand promptly in order to negotiate the best available rates.

This newly developed online travel agency is to become a reliable travel destination expert, providing online users with comprehensive hotel options and competitive rates that cater to their needs. Possessing the value of innovation and knowledge, HotelTrip.com has a range of customer benefits, including high speed search results, loyalty reward programs, multiple room type selection under one reservation, mobile application integration, and a simple three-step-checkout process. Its exclusive loyalty reward program proposes countless benefits with precious deals. Collaborate with Hoteltrip's social media platforms to gain a full insight on its stimulating competitions and noteworthy updates. In addition, a number of fresh and engaging hotel contents, travel guides and forums are available, allowing users to make smarter and well-informed travel decisions.

HotelTrip.com offers customers access to a wide selection of over 35,000 hotels in Asia, with new options being added regularly. Providing browsers with secure, fast, and easy hotel reservations, HotelTrip provides a hassle free booking environment.
