March 25, 2013

Incontinence UK

its cost effective range.

From [incontinence pants](#) to washable bedsheets, duvet protectors and much more, the range features reliable and discreet incontinence solutions from some of the most popular brands in the industry, including Age UK.

Incontinence affects a variety of people in the UK, through age or illness. When it strikes, a discreet and reliable solution is required. The Incontinence UK online store brings together the leading incontinence products by the biggest brands, and makes them available for affordable prices, to ensure that customers always have the relief they need. A host of special offers are available on site, including a sale on the popular Age UK Maxi Absorb Discreet Pull Up Incontinence Pants, now priced at just £9.99 per pack.

Age UK Maxi Absorb Discreet Pull Up [Incontinence Pants](#) are designed

London ([rushPRnews](#)) 03/25/13

— A leading UK supplier of [incontinence products](#) online, Incontinence UK, highlight brand new additions to the range; including some big name brands.

Incontinence UK, a major online retailer for brand name incontinence products, has unveiled the newest additions to

specifically for people living with moderate incontinence. They offer a unique combination of waterproof backing and odour control, and are available in a variety of sizes to suit everybody. These high quality incontinence pull up pants are worn just like regular underwear for invisible but effective protection.

Other highlights of the brand new range include the Kylie Washable Bedsheets, now available in blue as well as pink. These soft, quilted washable bedsheets feature tuck-in flaps. They are placed over the top sheet of the bed to provide a unique barrier which absorbs a generous amount of fluid. The all new design ensure that protection and comfort are maximised to ensure the best possible night's sleep.

Pay a visit to the Incontinence UK online store to find out more about each of these popular products and many more; all available at fantastically competitive prices.
