Hi Tech Id Verification Tools Stop Fraud

All business should be verifiying the SSN & EIN of all vendors, employees and customers in accordance with the USA Patriot Act, Red Flag Rules and Federal Trade COmmission advisories on Identity Theft Protyection - Realsearch.com provides all the Compliance Data tools needd by Corporate America, Banks, Financial Institutions, Lenders and Online Businesses. Identity fraud and

fake online and web-form applications eat away at the profits and the security of established businesses. The Federal Trade Commission (FTC) reports more than 9 million have their identities stolen each year. "They drain their accounts, damage their credit, and endanger their medical treatment," the FTC reports, "The cost to businesses left with unpaid bills racked up by scam artists – can be staggering." Victims include utilities, online services, financial institutions, shippers and small businesses. With the aim to reduce this upward spiral of loss to individuals and businesses policies like the Red Flag Rules were put into effect and enforced by the FTC. Identity Theft Prevention Programs designed to detect the warning signs or "Red Flags" to recognize theft are implemented. Realsearch.com has several anti-Fraud solutions including **web-FRAUDgate 2.0™**. With this API solution e-tailers can stop swindlers, and drastically reduce losses to credit card fraud, shipping and reshipping fraud, chargebacks and all types of 'card not present' fraud while at the same time verifying prospective leads and new accounts.

Web Portal –Monthly or Annual Subscription plans are available to access the powerful EIN and Business & Vendor Verification database. Companies get a user name and password for to access the Internet-based products and perform verifications, pay per search, or low-cost subscription plan.

API – This automated solution begins with a limited free install and test drive for Enterprise and Corporate applications with volume inquiries. API data integration XML strings seamlessly integrate with business' existing systems.

Batch Match – Upload files directly to the REALSearch.com team who will run multiple verifications all at once and get them back to you within 24-48 hours. No-cost test drives are available for all three solutions by calling the sales team toll free at 800-299-8280 ext. 7
