[Aysling Digital Media Solutions](#) will host a free webinar in Spanish on September 22, at 6 PM EDT. The presentation will focus on how to design and create an iPad app.

In the [iPad Design and Production](#) webinar, the first part outlines specific design aspects for iPad and Tablet publishing. The second part walks you through various production phases for creating a media rich iPad app using [WoodWing Tablet Publishing](#) Solution.

“The iPad/Tablet Workshop Series is designed to help Publishers, Corporations and Agencies initiate or enhance their iPad and Tablet

applications” states Patrick Becker, President of Aysling Digital Media Solutions. “We typically find clients in one of two stages - developing a strategy or trying to support an existing iPad/Tablet app. This workshop series defines and provides clarity to a wide range of topics and common issues regarding tablet markets.”
