Strength Studio

“The hammocks provide a sense of support for students who would not normally be able to do certain moves due to injury or lack of strength. We have kept several people out of back surgery by doing Pilates, stretching and balance work on foam rollers. I have seen people with neuropathy in the leg return to the ski slopes through Pilates work.”

Vivian Van Dijk, Editor-in-Chief EYES IN Magazine™/MagBook™

EYES IN™ Technology: Reed Timmer- Meteorologist and Storm Chaser

“My mom always said if you do what you love for a living, and follow your passion, you’ll never truly ‘work’ a day in your life. That’s true for the storm chasing part, but it sure does take a substantial amount of work and major sacrifices to make a living out of it.”

EYES IN™ Artists: Ivan Markovic- Artist and Sculptor

“On Valentine’s Day, 2002, I quickly improvised a flower with paper taken from a sketchbook. Thus, through an expression of love, I discovered my passion for sculpting with paper.”

Furthermore, Issue 18 of EYES IN™ Magazine/MagBook™ engages readers in stories about famous fashion designer **Tory Burch** whose original designs are easy to wear and versatile enough for the wardrobes of working divas, soccer moms and socialites, about culinary arts creator **Nigella Lawson** whose cooking style is larger than life and about the brilliant, innovative architect **Zaha Hadid** who showcases her latest exhilarating architectural designs.
