"I completed a 6-day Veteran Kaeng Raeng detox to fight off the ten pounds," he said. "I'm no stranger to detoxes as I've done a few before, including master cleanse and juice fasts, but I really enjoyed Kaeng Raeng for a few key reasons. I'm a busy man, so having all of the materials pre-made for me was a huge time savings. Also, I am on the road every day so the convenience and portability allowed me to keep going without worrying about being stranded and hungry. Finally, it tastes great! Each drink was very good and I looked forward to the next one. Nothing could beat the feeling of weighing myself on the seventh day and seeing I had lost ten full pounds."
