

Kaigai Lifestyle Properties Announces Addition of a Brazilian Development to its Portfolio

April 22, 2014

Oakville, ON ([RPRN](#)) 04/22/14 —
– International real estate
advisors, [Kaigai Lifestyle
Properties, Inc.](#) is pleased to
announce the addition of a
Brazilian real estate development
to their portfolio. Turnkey villas
being built in a beautiful, gated,
country resort set in the

picturesque lake region just outside Rio de Janeiro.

These villas offer a great opportunity for investors wanting to add turnkey real estate property in Brazil to their investment portfolios and for buyers looking for an affordable property to call home on a full or part time basis.

The contemporary designed villas offer 2 to 5 bedroom floor plans (bungalow & two storey) that range in size from 1076 square feet to 2,335 square feet.

The [Brazilian real estate](#) market has experienced a boom in recent years and has caught the attention of both international and local buyers. Much of the interest in the country is due to the two upcoming major sporting events being hosted by Brazil: the Soccer World Cup in 2014 and the Summer Olympics in 2016 in addition to the government programs for improving infrastructure, guaranteed mortgage rates to qualified buyers and the rising middle class.

This luxury development is located less

than 1 hour from downtown Rio de Janeiro and the International Airport and less than 5 kms from the planned Jacone Megaport. Residents at the resort will be able to enjoy first class amenities within the resort grounds. There is also a stunning Golf Course located just 5kms from the development.

The development infrastructure should be completed by the end of the Month (March 2014) and construction of the villas will begin in April 2014 with completion expected in 24 months.

About Kaigai Lifestyle Properties Inc

[Kaigai Lifestyle Properties Inc](#). was founded in 2010. Sue Coleman, President and CEO, draws on her experience as a former local REALTOR, her life as an expat in multiple countries including Japan, the U.S.A and Belgium and other international life, travel and real estate experiences to help buyers research and buy offshore properties. Sue has created a proprietary profiling tool that is unique in the International Real Estate community and she has become an industry expert. As a certified International Real Estate Specialist and holding memberships in several International Real Estate Associations (e.g. FIABCI, NAR), Sue has helped and continues to help many people live aboard successfully and to safely and securely invest in international property.
