

Killer Guides Tackles Auction House System with a Diablo 3 Cash Guide

April 25, 2012

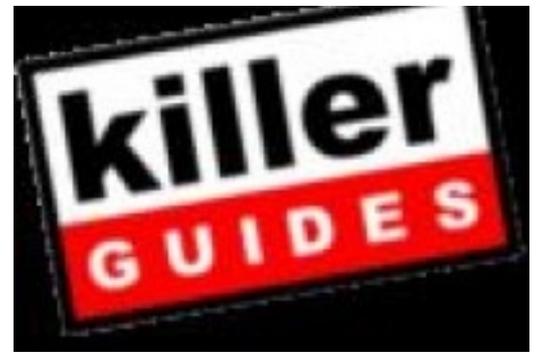

Sao Paulo, Brazil ([rushPRnews](#))
04/25/12 — With the clock ticking on its May 15, 2012 release, [Diablo III](#) has garnered attention and excitement even before one copy is sold. With more than a decade of waiting between the second and third title, fans of the Diablo series are glad to start on

another adventure on the familiar world of Sanctuary. The game developers of Blizzard Entertainment have added new features to the game which enhances and make things easier for the gamers' experience. However, they've also retained some of the familiar aspects of the game to satisfy veteran players. One of the new additions to the game is the auction house. This is the place where players can buy, sell, and trade any items that they no longer use. It's a good way to interact with fellow peers.

As you start on your journey, you'll soon realize that gold plays a big part in leveling up. You need currency to be able to buy the perfect suit of armor or buy the right weapon suitable for your level. If you encounter difficulties in gathering resources, [Killer Guides Diablo 3 Cashguide](#), will show you the quickest way to pad up your wallet. You won't have to waste countless hours grinding out meaningless missions for meager benefits. Ease your troubles

by choosing the right quest and the right boss

to overcome that cashes out the biggest bounty. Plus, bosses not only drop gold but items as well. These raw materials can be used to craft your desired equipment. With the guidebook, learn where to find the right source for specific items as well as special missions that rewards rare materials.

As one of the new additions of the game, there will be artisans that will follow you on your journey. Either as a blacksmith or a jeweler, or both, they are valuable workmen that can craft you any weapon, armor, or jewelry you like. With the manual as your reference, learn to train these craftsmen the proper way to build you the perfect suit of armor or hammer out the deadliest of weapons. Using the precious metal you've gathered, they can craft any raw objects into the finest piece of jewelry.

[Killer Guides Diablo 3 Cash Guide](#) can also teach you the proper way to conduct business in the auction house. Know which items return the most profit while being able to stay in the competition. You won't have to waste time scavenging for items that won't sell. Plus, learn not to get cheated by knowing the true worth of equipments and items with an overblown price tag. Use the knowledge offered on the [guidebook](#) to successfully increase your cash resource.
