04/21/12 — As one of the UK's leading TV beds retailers, LeatherTVBeds.co.uk has today unveiled an exclusive new range of [single TV beds](#) which are of the highest standards. Thanks to the feedback that the company has received from their customers regarding bed sizes, these latest

additions are the first single beds from LeatherTVBed.co.uk, prices start at £549.

Customer Service Manager Gene Reddington had this to say about their new single beds, "We have been asked numerous times about the possibility of a single TV bed, now we have one to show off and it's a beauty."

As issues such as space maximization grow and interior decorating evolves for homes, leather TV beds are on the cutting edge of technology. Not only do they meet their users resting needs with superior comfort, they conveniently store a television in the foot end of the bed taking watching TV whilst in bed to a whole new level.

Reddington also went on to say. "Our tech-savvy clients will appreciate the ability to choose and customise their TV beds online. Moreover, the layout of our website makes it easy for anyone to navigate through and find the TV bed they want"
