05/27/14 — First, what are we?

The Marketing Platform is a Master Marketing Platform to help you get sales, build a downline, build your list, contact your prospects and customers, get access to member only resources and access the most awesome

downline builder any of us have ever seen!

This means that everyone you ever show your "The Marketing Platform" website to, when they come here they will be seeing your banner linking to your affiliate websites.

And when they join they will join these programs under you, automatically. This system works.

We are a fully automated income and marketing powerhouse that when you plug in, you gain the power of our software, platform and resources.

Having our system with our downline builder means you have two programs in this members area that you will join and everyone you ever send here will then see those links as yours and when they join, it will be under you and you will get paid.

There is also a place for you to enter any other program on the net that you like or are already a part of, and can just feed it instantly into the process of this system.

As these programs are multiple level affiliate programs, you will also get paid on the people that your referrals bring in.
