About the author:

[Young Nudists & Naturists America](#) is based in the New York, New Jersey area but we welcome anyone from anywhere. Due to all the interest and lack of an online presence we decided to launch this site. We are here to educate people about nudism and the [nudist lifestyle](#) as well as recommend trust sites and warn people of any bad or misleading sites and organizations. We are fellow nudists ourselves and our word is our bond.
