

Sharegate presents Hilarious SharePoint Migration Videos Part II

September 17, 2013

Montreal, Quebec ([rushPRnews](#))
09/17/13 — In response to a world where users are forced to use complicated apps, contact IT to install a product on the server or sign massive contract, [Sharegate](#) developed the Simplest SharePoint Migration Tool. With Sharegate, you can migrate a full SharePoint site in just 1 click, use

Just Damn Simple videos - Part II

the drag and drop functionality and download directly to your desktop.

Simplicity is Sharegate's core value and it has led to making funny videos to spread the word.

“A SharePoint migration should be Just Damn Simple!” - Simon De Baene, Product Director.

Eight hilarious [videos](#) were created to portray simple actions turned complicated, the same way most people feel when they have to complete a migration project. Not only does Sharegate promise to keep its tool very simple, but it also offers an unlimited SharePoint migration experience. With Sharegate, there is no volume limit: migrate as much data as you want ... it's unlimited! Check out the [video](#) that was created to present this top feature!

Sharegate aims to help thousands of SharePoint power users around the globe who are displeased of complicated migration project with awesome features such as:

- Migrate Full SharePoint Sites and Subsites
- Migrate SharePoint Lists and Libraries
- Granular Content Migration
- Support all SharePoint versions from 2003 to 2013 and Office 365
- Unlimited support by the team that created the software
