**Bristol, UK ([RPRN](#)) 05/20/13 — The 5 Pointz online store welcomes another major HUF collaboration, as the Cali Skater label partners with music icon Snoop for hot new spring summer range.**

The Hip Hop credentials of the UK's [5 Pointz online store](#), received a boost with the arrival of the HUF x Snoop clothing collection for spring 2013.

The cool new capsule collection, of caps, socks and instantly classic t shirts, is just the latest major collaboration by California's [HUF brand](#). This time out, the hot indie label with the skater boy roots has partnered with music icon Snoop to commemorate 420 2013 and deliver some of the baddest new t shirts of the season; plus accessories with a recognisable Plantlife motif.

At the core of the collection is the series of photo print tees, which show Snoop at various stages of his pioneering career, including the HUF x Snoop Mike Miller t shirt in white. Here, Snoop can be seen performing in a slick, blue pimp suit, while surrounded by great looking girls.

The HUF x Snoop Joe Cool t shirt features an illustration by Joe Cool featuring two cartoon dogs that will look familiar to anybody that's up on their Snoop artwork. The t shirt is available in black and white and each feature a HUF x Snoop graphic on the back with a brick wall effect fill.

No 420 collection would have been complete without some distinctly herbal thematic and the HUF x Snoop range offers this in the form of the HUF x Snoop Socks in navy heather, and the 420 Volley 5 Panel Cap in grey heather; both of which feature the instantly recognisable Plantlife logo.

5 Pointz brings the best of the international streetwear scene to UK doorsteps with a massive online store, offering the latest new releases by heritage brands like [Adidas Originals](#) and Nike, along with the best new independent labels, including HUF and many more.
