August 8, 2013

Surrey, BC ([RPRN](#)) 08/08/13 —

Tanya's Maids, a professional cleaning service located in Surrey, BC, announces it is expanding its services to include Langley, Delta and White Rock, BC.

"There are several cleaning services residents of the lower mainland can choose from,"

explained **Tanya Caya, owner of Tanya's Maids Cleaning Service**, "but more and more we were hearing from people outside of the Surrey area—individuals our regular clients were referring to us."

Tanya's Maids offers professional, high-end [home and commercial cleaning service](#). Their specialty is large homes and clients who are very particular about how their homes are cleaned. With the rate of new construction—and larger home construction—taking place in the Langley, Delta and White Rock areas, Caya has found that their reputation has spread to those places as well.

"Our teams maintain a very high standard of cleaning with an incredible attention to detail, from crown moulding to baseboards. We are fully licensed and bonded, and believe in using eco-friendly cleaning products that are safe for pets as well as people," Caya stated. "These principles are what turn our

first-time clients into long-term clients, and why our name is being passed on to others."

Caya says she has planned her expansion into these new communities carefully, ensuring that her teams have the right experience, demonstrate a love for their job, and reflect the high standards of the Tanya's Maid brand.
