Globally renowned SSL reseller, thesslshop.com has declared a heavy discount of 10% on Thawte SSL123. Thawte SSL123 is a Standard SSL certificate for Domain Validation. Issued as quickly as in a day or less, Thawte SSL123 encrypts the connection established to the server and

provides encryption of up to 256-bit. In addition, it includes the Thawte Trusted Site Seal free of cost as mark of trust and not to mention a 30-day money back guarantee.

Thawte is the first international CA issuing SSL certificates and products in over 190 countries with a linguistic liberty by providing the site seal navigation in over 18 languages. Ranges of products offered by this international Certificate Authority are: EV SSL, OV SSL, DV SSL, Wildcard and SAN SSL certificates. What makes Thawte a more reliable and trusted CA? It is the experience and strong dedication poured in development as well as improvement of SSL products only, unlike other CAs.
