Treasure Cay, Abaco, Bahamas ([RPRN](#)) 09/21/13 — Tropical destination weddings have never been hotter. Dive

At Treasure Cay Abaco Bahamas.

into the marital maelstrom and wade out to the peaceful, more personal side of paradise – Bahama Beach Club.

“We’re an intimate, smaller resort and that allows us to provide more personalized service,” said Craig Roberts, owner of the award-winning oceanfront resort. “When couples are committing to a lifetime of love together, our staff is right by their side ensuring a unique ceremony and reception that reflects individual tastes. And each wedding is backed by the most comprehensive services, specializing in a one-of-a-kind experience filled with personality and style.”

Amenities abound at every phase of the wedding planning process. Future newlyweds are offered a two-night complimentary stay with a free “save the date” photo shoot while onsite. A wedding coordinator is assigned to each party during their stay to sort out everything but the dress: travel arrangements, marriage licensing, event planning, floral arrangements, catering, photography, videography, live music and more. The resort allows

only one [beachfront wedding](#) per day, leaving little room for multiple wedding parties to have coastal collisions. Newlyweds also receive a complimentary three-night stay for their first-year anniversary.

A special day at the club is as memorable for family and friends as it is for the bride and groom. After attending her son's wedding, Nanci Walsh confided, "being in Treasure Cay was an experience I will never forget. The peacefulness and beauty was magnificent, but the smiles everyone had will be what I will keep with me forever. My son and daughter-in-law made a wise choice when they picked Bahama Beach Club resort to start their new life together."

With 88 customized condominiums, the Bahama Beach Club is a luxury full-service resort that offers a romantic island experience in the heart of an historic settlement called Treasure Cay. The resort boasts two restaurants, a poolside bar with entertainment, complimentary water sports, fine dining in a beachfront pavilion and "One of Top Ten Beaches in the World" according to National Geographic Magazine. The club also received a Certificate of Excellence by Tripadvisor in 2012.
