Background Brings Insight and Knowledge to Product Publicity and Media Relations Service

– [3G PR](#) has announced that Tod Musgrave has joined its team as Director of Business

Development. In this role, Tod will

be in charge of new client acquisition, relations and retention and will also be involved in various aspects of the company's strategic plan for growth.

3G PR is a specialized public relations service that focuses entirely on product publicity and product launches, offering fast and effective media exposure for unique consumer gadgets, gizmos and gear (the 3 G's). [3G PR](#) offers an approach to product publicity and marketing that is modestly priced and typically requires only 90 days or less to plan and execute. 3G PR differs from other public relations companies by focusing entirely on product publicity, product news and product media exposure.

Since 1995 Tod has been involved in developing and marketing a variety of consumer products including the Pelican

(PDP) line of video game accessories, HeadBanger Audio, CodeBreaker, VG Pocket, Penguin United, Score, Realview Innovations and many other accessory brands. Tod has likewise managed sales departments in the consumer electronics, video game and electronic entertainment markets.

“Tod brings a wealth of knowledge and experience to our team,” states Dirk Foster, President of 3G PR. “We are proud to have Tod leading our business development as we expand our publicity service across the United States.”
