September 10, 2009

NY,NY ([RPRN](#)) 09/10/09 — BIO LEAF TO REVEAL NORTH AMERICAN PRODUCT AT ASPEN SOCIAL CLUB FASHION SHOW 9/10/09

On September 10, 2009, the highlight at the 2009 Aspen Social Club fashion show will be new co-sponsor: **Bio Leaf**, S. r. l. making its American debut. The International Organic Food Products Company headquartered in Italy is having its presence known in the USA beginning with this event. Gift bags will be distributed to high profile VIPs attending the fashion show, they will be the first to receive BIO Leaf's new organic product line, the mystery of which will be unveiled at the show.

While an RSVP is not required, it is highly recommend due to the limited space availability coupled with the high demand for participation in the event in question, which centers on its distinctively refined, signature fashion show set against the backdrop of a contemporary European approach.
