07/02/13 — WAFU® Inc. is
pleased to announce the
Canadian launch of a new line
of Japanese mayos, called
[WAFU® MAYONAIZU®](#)

Whether you enjoy the nutty taste
of roasted sesame, crave the kick

of wasabi, or like things spicy, WAFU® has three new products to appeal to
your taste buds. Canada's popular brand of Japanese dressings has
launched a new line of mayos, WAFU® MAYONAIZU®, in three exciting
flavours: [sesame mayo](#), [wasabi mayo](#) and [spicy mayo](#).

North American consumers more than ever have an appetite for ethnic foods,
whose presence on grocery shelves has grown exponentially over the years.
Japanese offerings make up a great part of this trend and consumers are
eager to replicate Japanese flavours at home. "WAFU® MAYONAIZU®
Japanese mayos not only give consumers delicious and exciting new ways
to prepare sandwiches, appetizers, canapés, sushi and many of their
favourite foods," says Arabella Decker, VP Marketing, WAFU Inc. "It also
allows you to add a Japanese-style experience to your dishes."

Spicy Mayonaizu[®], the hottest of WAFU[®]'s new mayo line-up, is a Japanese-restaurant staple, most often found in spicy sushi rolls. This new spicy mayo will not only add heat to sandwiches, sushi and tartares, but also makes a great dip for appetizers, fries and wherever your imagination takes you.

All three WAFU[®] MAYONAIZU[®] flavours have no colours or artificial flavours, have no trans fat, are low in cholesterol and saturated fat, are a source of omega-3 polyunsaturates, are gluten-free and are Kosher certified (MK- Pareve).

WAFU[®] MAYONAIZU[®] will be initially available only at Metro Quebec and Metro Ontario stores and will subsequently be available at all Sobeys/IGA stores in Quebec before the end of the summer. WAFU[®] MAYONAIZU[®] retail for \$4.99 and are available in convenient 250 mL squeeze bottles. WAFU[®] MAYONAIZU[®] is also available for purchase online across Canada at www.wafushop.ca.
