10/04/13 — Distributing your press release with **GUARANTEED** placement in Associated Press databases.

This is just part of the newest package that RushPRNews is offering. An encompassing value, it not only offers AP mobile readers an opportunity to view your press release, but it guarantees distribution to thousands of sites, including CBS Money Watch, UPI, The Chicago Tribune, NewsDay, TechNews,

Boston.com, Google, Yahoo!, Bing, and many others. Thousands of individual reporters and editors will have access to your release via RSS feeds and the AP mobile app. Plus, there is guaranteed publishing of press releases in over 250 online newspaper sites. We'll also have available for you an Engagement Report for your release, which shows where your release is showing up digitally.

Along with the AP package, we've improved our Social Media Blitz add-on package. For just \$50 more, you can social share your release and YouTube videos on Twitter, Facebook, and all of the widely-read, most-popular social media sites. This add-on package can be added to any of our packages that suit your demographics.

Go to our [Services page](#) and see these new services. Be sure to click on the package details link to see how we've expanded and improved our packages with what our customers want.

Use a [PRCoupon](#) and get a **\$30 discount** your next purchase!

We're making PR easier than ever with our offerings!
