05/10/12 — World renowned harpist and recording artist Merry Miller, releases “*Psalms on the Harp.*” She has worked on this project for years, often turning to the Psalms herself to help get through difficult situations in life.

This unique album set is the first

to offer soothing Jewish and Christian melodies on solo harp, while the second CD has Steve Hiller (previously with Moody radio) reading the most popular Psalms versus with the harp in the background.

King David was a harpist and the Psalms were written as songs he played on the harp, and the word “Selah” is a harp term that means to stop and meditate on what you just performed. This unique CD is already getting tremendous worldwide buzz in both Christian and secular markets and it is Merry’s prayer that it brings peace and healing to all who listen.

They lack training or development resources and the depth of knowledge needed to focus on their businesses from a true "ownership" perspective. Both lead to lowered expectations, lack of business and personal growth and frequent owner burnout. The Sival Group believes that it can improve upon and exploit these weaknesses to gain local market share.

With the addition of Achieve PR - Sival Group will provide its professional development services in the most effective manner and with an ongoing comprehensive quality-control program to provide 100% client satisfaction.
