July 10, 2012

New York ([RPRN](#)) 07/10/12 — To mark [Nude Recreation](#) week, the American Association For Nude recreation is promoting a nude body painting event which they titled "Amazing Canvas". Young Naturists & [Nudists](#) America, as part of their ongoing efforts to promote body acceptance, is calling everyone to strip down and

join in on the fun! Hosting two events simultaneously, one in Wisconsin and one in New Jersey, this group of young adults is working tirelessly in the name of social change!

"People are so focused on the superficial things like money, looks and status symbols. We work hard every day to change the way people interact with each other. I believe that while we are all different, we are all equal. We don't care what someone looks like, we care about who they are!" says Felicity Jones, author of Felicity's Blog. She goes on to point out that "The only thing I have yet to accomplish is finding a mainstream celebrity to team up with us. I just cant seem to find the politically correct way of asking them to get naked with us".

### **About the author:**

[Young Nudists & Naturists America](#) is based in the New York, New Jersey area but we welcome anyone from anywhere. Due to all the interest and lack of an online presence we decided to launch this site. We are here to educate people about nudism and the [nudist lifestyle](#) as well as recommend trust sites and warn people of any bad or misleading sites and organizations. We are fellow nudists ourselves and our word is our bond.
