Move aside Occupy Wall Street — Here come Young Naturists

America! This young group of nudists have high moral values, quietly taking matters into their own hands and actually working towards a better tomorrow!

[Young Naturists America](#) (YNA) have been making waves in New York and beyond. For those who have not heard here is what has gone on in the world of YNA during this week alone:

All charges were totally dismissed against Felicity for walking her invisible dog in the nude (author of YNA's Felicity's blog). Her performance (and subsequent arrest) in [Occularpation](#) arguably helped spark the Occupy Wall Street movement.

Launched the "[Emerge](#)" initiative — A new subdivision that is geared toward raising funds for [charitable](#) causes.

Announced their next event - An after-work naked cocktail party to help raise funds for their "Emerge" project.

Took part in Day One of Zefrey Throwell's latest project entitled "I'll raise you one" – A week long strip poker marathon with a very serious message.

Young Nudists and Young Naturists America –

YNA Young Naturists & Nudists America (YNA) is a nudists / naturists organization based out of the NY/ NJ / PA area.

We welcome everyone regardless of race, color, sexual

orientation, tattoos, piercings. The nudist movement used to be about acceptance – so we say – back to the basics!

The goal of this group is to promote and educate others about naturism and nudism, explore cool clothing optional places to go to and last but not least organize events for fellow nudists and naturists all over the world!

We coordinate fun nudist and naturist events, nude naked and clothing optional parties such as our signature Nude Night Out and Nude Year's Eve parties in Manhattan; there is always a naked, nude friendly event taking place either hosted or co-hosted by YNA.

So keep a look out for those ongoing [updates](#).

Not only are we young in body, heart and mind, our outreach is directed to bringing together the younger population of naturists and nudists ages 18-35.

Naturism and the nudist and clothed free lifestyle is a beautiful way of life, and should not be missed by any young person! Right now we are working from the New York City area and are working hard to spread this movement out all across the nation!

Check out our [About Us page](#) for more info and our [nudist blogs](#) for the latest news and articles.

About the author:

[Young Nudists & Naturists America](#) is based in the New York, New Jersey area but we welcome anyone from anywhere. Due to all the interest and lack of an online presence we decided to launch this site. We are here to educate people about nudism and the [nudist lifestyle](#) as well as recommend trust sites and warn people of any bad or misleading sites and organizations. We are fellow nudists ourselves and our word is our bond.
